MEMORANDUM TO: Long-Term Care Home Licensees

FROM: Richard Steele
Deputy Minister
Ministry of Long-Term Care

SUBJECT: Long-Term Care Vaccination Data Updates

Dear Partners:

General Rick Hillier (retired), Chair of Ontario's COVID-19 Vaccine Distribution Task Force, and Merrilee Fullerton, Minister of Long-Term Care, recently hosted two vaccination updates for home leadership and clinical and operational management in the long-term care sector. Videos for both sessions, including informative question and answer sessions, are being posted on the [LTCHomes.net](https://www.ltchomes.net) site.

For those of you who have not yet had an opportunity to join the meetings, General Hillier and Minister Fullerton will be hosting a third online session which we urge you to join. This session, which will also be recorded, is scheduled for this coming Monday, January 18, 2021 from 9:00 a.m. to 10:00 a.m.

This information session is your opportunity to hear first-hand the plans for vaccine distribution to LTC homes across the province, and what you need to do to prepare as a long-term care home operator or clinician.

As with previous sessions, you will have an opportunity to ask questions about the vaccines and the vaccination roll-out.

Please contact Anna Millar at the Ministry of Long-Term Care via email to register yourself and/or your colleagues: Anna.Millar@ontario.ca

We look forward to connecting with you for this vaccine distribution update.

Sincerely,
