MEMORANDUM TO: Long-Term Care Homes Stakeholders

FROM: Michelle-Ann Hylton
Acting Assistant Deputy Minister
Long-Term Care Capital Development Division
Ministry of Long-Term Care

SUBJECT: **New Application Deadline for the 2019 Application for Long-Term Care Home Development**

_____

In October 2019, the Ministry of Long-Term Care launched the 2019 Application for Long-Term Care Home Development Program to support the development and redevelopment of long-term care homes across the province.

Recognizing the challenges faced by the sector and residents of long-term care homes, the ministry has now extended the deadline to submit applications for long-term care bed allocations to **September 25, 2020**.

The deadline was extended in March 2020 as the ministry recognized that long-term care homes needed to focus on containing and preventing the spread of COVID-19.

Application forms and additional information are available through LTCHomes.net and on the Ministry of Long-Term Care website. You can also send an email to LTCdevelopment@ontario.ca if you have questions or would like to receive an application form by email.

Thank you for your continued support and engagement in the long-term care home sector. We look forward to working with you to increase new long-term care bed capacity in Ontario.

Sincerely,

Michelle-Ann Hylton
Acting Assistant Deputy Minister, Long-Term Care Capital Development Division
