Long-Term Care Capital Development  
Ministry of Long-Term Care

**SUBJECT:** *NEW: Long-Term Care Home Capital Development Funding Policy, 2020 (Funding Policy, 2020) Frequently Asked Questions*

---

The Ministry of Long-term Care (the “ministry”) has developed a Frequently Asked Questions (FAQ) document to support the implementation of the modernized Long-Term Care Home Capital Development Funding Policy, 2020 (Funding Policy, 2020) released in September 2020. A copy of the FAQ is attached.

The FAQ document is intended to help supplement information in the Funding Policy, 2020 and provides further clarification with respect to market segmentation.

The ministry will continue to assist operators to understand the Funding Policy, 2020 as it relates to their project, and will strive to provide on-going guidance and clarification as required.

Should operators have any questions about the funding policy, please contact your project manager.

Thank you for your continued support and engagement in the long-term care home sector.

Sincerely,
